From The Principal:

We have had a wonderful start of the new school year! Our successful start is in large part due to the dedication of our amazing teachers and staff, the infectious and joyous attitude of the students, and your help getting the students to school and the many activities on time.

As I have walked around the school, I am constantly impressed by the type of students we have the privilege of working with daily. Students are actively engaged, eager to participate and they have a strong work ethic. Most importantly, our students are positive and cheerful. Even with the intense heat we have been experiencing and the drain on our cooling system, the students never complain. Instead, they keep a positive attitude and try to find the humor in the moment.

I wanted to say thank you for your attendance & support for our Back To School event. The number of interested and supportive parents was very impressive. I met many of you personally and I want to say thank you for your kind words of encouragement.

I am humbled and honored to serve as the new principal and I look forward to many years ahead working together with our students and with you, our community, to provide the best learning opportunities for all students.

Finally, I want to continue our commitment to having the best communication between parents and teachers. Please let me know if you have ideas that can help us improve.

Best wishes,
 Sally Schultz

25 Years of Students Succeeding in Math!

This month begins Mr. Smith's 25th year of teaching at Oakvale! To celebrate, current PTA president Abigail Harris is throwing him a party at her home, just a few blocks from school. Come and go as you please July 30th from 3-8pm! Burgers and hot dogs will be served at 5. The Harris' live in the red brick house at the corner of Frey and Graham.

Parent Volunteers Needed

We would like to invite you to participate as an Adult Facilitator at our upcoming Rachel's Challenge event called Chain Reaction. Fossil Ridge High School will be hosting five days of Chain Reaction from September 23-27. These opportunities have been created for

all of the members of our current sophomore class to participate.

Adult Facilitators are crucial for the success of the day. Rachel's Challenge staff members will be meeting with all facilitators at 7:30 a.m. each day to let you know what is needed from you and to answer your questions. No prior training is necessary other than the morning meeting.

We hope that you are able to join us for this amazing experience! Please contact Colleen Emery, at c.emery@comcast.net if you are able to volunteer for one or more days and/or if you have questions.
